This educator has developed a wonderful unit on the classic story, "Brown Bear, Brown Bear What Do You See?". Download a printable booklet to create color drawings, find ideas for character picture cards, use the math ideas for sorting and counting, and more. Use the 2nd link above for even more activities and printable templates.

BROWN BEAR MINI BOOK:

Writing Paper templates are PowerPoint templates ready for the students to begin writing. You must first save the file to your computer by "Right Click > Save Target As." (it saved to my computer by just clicking on the file on the webpage) Choose where you want to save the file and then click "Save". Now you and your students are ready to begin writing.
