

## Finding scsk12.org Email Addresses

1. Log on to webmail at <https://mail.scsk12.org>. You will have to accept the certificate - just accept the temporary certificate for this one session. Put in your user name (i.e. phaney) and your email password to login.

2. Once you have logged in to your account, click on the plus side in front of the Public folders to see the Contacts.

3. In the box to the right, you will see the names and email addresses for all scsk12.org accounts. In the Search box above the list, type the name of the person whose address for which you are looking and click Search.

4. The email address for that person will appear below the box. Clicking on the address will open an email message box for that person.
